EXPLANATION OF THE SERVICE

For many congregations the *Tenebrae* service, usually held on Good Friday, is one of the most moving and meaningful worship services of the year. Christ's suffering is commemorated through Scripture and song. Candles are extinguished one by one as the congregation listens to the account of Christ's suffering and death.

The service of *Tenebrae*, meaning "darkness" or "shadows," has been observed since the fourth century. Traditionally the services were a prolonged meditation on Christ's suffering.

The *Tenebrae* service always has a somber tone, reflected in the darkness, in the accounts of Christ's suffering, in the music, and in the silence of the people as they leave the sanctuary.

This night is a night of sadness. We leave soberly, and yet we do so with anticipation because of Jesus words:

Mark 8:31, "*He then began to teach them that the Son of Man must suffer many things and be rejected by the elders, chief priests and teachers of the law, and that he must be killed and after three days rise again.*"

We invite you to return Easter Sunday to celebrate their fulfillment.
